

Wohlsen Construction Company Receives Award

Wohlsen Construction Company received the Award of Excellence in the Institutional category for work at the Phoenixville Hospital, which is owned by Community Health Systems of Franklin, TN.

The scope of the project included a 2,895 square foot expansion to existing Operating Room located in a busy, occupied hospital as well as construction of a new rooftop air handler which was installed and connected to the emergency power system.

The award was presented to Wohlsen Construction by the Southeast Pennsylvania Chapter of Associated Builders and Contractors (ABC) at the association's recent 19th Annual Excellence in Construction Awards Gala.

Wohlsen Construction Company was founded in 1890 and is one of the leading merit shop construction firms in the Mid-Atlantic States, serving Pennsylvania, Delaware, Maryland, and New Jersey.
