## Wohlsen Completes Renovations at Water Street Rescue Mission

Wohlsen Construction Company, headquartered in Lancaster, Pa., recently completed major renovations at the Water Street Rescue Mission located in Lancaster, Pa.

The project designed by Harkness Fry Architecture Planning of Lancaster, consisted of 86,360 sq. ft of renovations and a connecting bridge between two existing buildings.

The renovations provided for a new 23-room men's dormitory, a prayer room, game room, and exercise room. It also consisted of converting the existing men's dorm into living space for families, expanded medical and dental clinics and expanded learning center.

Ciro Gambone of Columbia, Pa. served as Wohlsen's project manager with Tony Vilk of New Providence serving as project engineer and Walter Pluck of Lancaster serving as project superintendent.

Wohlsen Construction Company was founded in 1890 is one of the leading merit shop construction firms in the Mid-Atlantic States, serving Pennsylvania, Delaware, Maryland, and New Jersey.
